

Johns Creek High School Fine Arts

YES, YOU CAN DO BOTH!!

At Johns Creek High School, students can complete multiple pathways during their 4 years. These pathways include, but are not limited to:

- Fine Arts
- CTAE
- World Language
- Math
- ELA

Fine Arts students (Band, Chorus, Orchestra, Theatre, Art) have the option to complete a secondary Elective Pathway if they so desire. The traditional 6 period day provides some challenges to complete this, however Fulton County Schools offers many Virtual and Summer courses in order for your student to complete their desired coursework.

The Fine Arts teachers at JCHS have compiled a list of recent graduates that have completed one or more elective pathways during their time at JCHS. Included in this list are their unofficial transcripts to serve as a guide for their course progression during their time at JCHS. These are *guides* and do not serve as a direct map or guarantee of admission to the listed college/program. College acceptance is unique for each individual student and each individual year, however, we are confident that students who are involved in the Fine Arts for all 4 years of their high school curriculum are well served headed into college and their future.

Considerations for Fine Arts + another Elective Pathway:

- Online/Summer Coursework is *HIGHLY* recommended - Counselors have the most up to date information regarding enrollment and deadlines
- GA Virtual School
- Fulton Virtual School
- Foreign Language (2 required for Georgia College System)
- Many Online and Summer options
- If wanting to go AP, that is an Elective Pathway
- Hard to pair with Fine Arts + another pathway (ex. Band + CTAE +World Language)
- Not impossible but requires a lot of FVS/GAVS/Summer Course work
- Currently Latin has conflicts with Fine Arts (Class period placement)
- [Click Here](#) to see current 9th grader statement regarding FVS Latin
- CTAE (AVTF, Marketing, Engineering, etc.)
- Some classes may need to be doubled in 11th or 12th grade to complete

- Not very many online/summer options
- FVS Health & Personal Fitness - *Online/Summer recommended for all students*
- Opens up elective spot Freshman Year
- Personal Fitness Waiver (Marching Band, Sport, etc.)
- Course Sequence
- Fine Arts Classes need to be taken in sequence (can't skip from 1 to 3)
- Some core classes have alternate sequences
- Dual Enrollment
- Dual enrollment for core classes can free class spots for students in Fine Arts
- Typically 11th & 12th grade
- Counselor is coordinator

For ANY scheduling questions, please contact both your student's counselor AND their Fine Arts teacher.

Band - Bryan Daniels (danielsb4@fultonschools.org)

Orchestra - Young Kim (kimY@fultonschools.org)

Choir - Mike Snyder (snyderm4@fultonschools.org)

Theatre - Debbie Prost (ProstD@fultonschools.org)

Art - Bonnie Lovell (LovellB@fultonschools.org)
